📁 [Portfolio](#)

🌐 [Linkedin](#)

Ciao! 🙌 I'm a driven UX/UI designer who loves to make the complex easy and simple. I enjoy crafting engaging and thoughtful products designed to reflect both business and people needs.

EXPERIENCE

UI Designer · Fox Technologies (Blastness)

October 2021 - Present

Joined as the first designer to improve their revenue management system for hotels. I work closely with developers helping to design new or existing features. Currently building a Design System.

Web Designer & Frontend Developer · Tarsi

March 2020 - September 2021

Worked on multiple products for both desktop and mobile. I gained experience designing and developing solutions to meet their clients' needs and requirements.
